APPLICATION FOR TEMERTY UKRAINE-TORONTO EDUCATION & COLLABORATION FUND

PURPOSE

To support health leaders in Ukraine and the University of Toronto's Temerty Faculty of Medicine in Canada through collaborative research and educational programs, initiatives and activities.

Examples of initiatives may include, but are not limited to:

- Collaborative research or educational projects that are co-led by researchers at Temerty Medicine and in Ukraine
- Capacity building trips to Ukraine led by Temerty Medicine faculty member(s)
- Support for Temerty Medicine learners (medical students, clinical trainees, residents, fellows, graduate students) working on projects with demonstrated potential for impact in Ukraine
- Steps to build a network of colleagues interested in a sustained relationship with Ukraine
- In 2025, specific attention will be given to applications that address primary care on the frontlines.

PROJECT REQUIREMENTS

Project Leader:

- Faculty member of Temerty Faculty of Medicine

Collaborators must be:

- Citizen(s) of Ukraine, living and working in Ukraine
- Member of a Ukrainian Medical Institution - MD and/or PhD at recognized Medical University/Hospital/Research Institute in Ukraine
- Proficient in English language
- Practicing clinician, Medical Educator, Researcher
- Applications are encouraged from Ukrainian emerging leaders in the first 10-15 years of their professional career

OTHER TERMS AND CONDITIONS

Maximum Grant: $75,000 CDN (to support up to 2 years maximum)

Applications to be submitted as one PDF package by 11:59pm on **September 29, 2025** to medicine.advancement@utoronto.ca. Late applications will not be considered.
The outcome of the competition will be announced by December 2025 and successful applicants will be notified directly.

- Recipients may hold other grants and funding toward the project.
- The committee will review one application per person.
- Successful applicants may re-apply after two years.
- There must be at least one member of the ongoing project team that has an active U of T appointment for the duration of the project. If there is a change in the appointment status for project members during the duration of the project, a collaborator from U of T must be identified.

Reporting requirements:

Upon successful receipt of a grant, the Project Lead and Collaborator will be required to submit a status report on outcomes and impact including a summary of work completed and budget reconciliation at the end of the funding period.

APPLICATION

PROJECT TITLE:

Project Lead at the Temerty Faculty of Medicine

Name:

Email Address:

Telephone Number:

Academic Rank:

Project Role:

Department (within Temerty Medicine):

Hospital (if applicable):

Signature:

Ukraine Collaborator
